About Alpine Cup - Nations Cup Team Tournament

What is Alpine Cup - Nations Cup?

Alpine Cup is a series of international tabletop gaming events. Nations Cup is an invite only Warhammer 40,000 tournament with national teams.

First Nations Cup will be hosted in December 2024 in *Leoben, Austria* and is planned to be an annual event that will be hosted every year.

Our aim is to provide the **Alpine Cup** experience to our guests under the sight of the mountains while still providing a great gaming tournament.

- **WH40K Team Championship**

The Alpine Mission Statement

Our mission and value for Alpine Cup are simple. These values are

- Firm but fair play, as in challenging our opponents to the best of their abilities on the tabletop while treating them as how we would like to be treated, such as playing by intent.
- To be welcoming to all newcomers and returning veterans to the hobby, as long as they don't seek to change the community they are coming into for personal or political goals. We enjoy our hobby and the community we have, that's why we participate in it. This community is just for players who want to enjoy their tabletop gaming, if you want to change that you are unwelcome here.
